VOLUME 35 ISSUE 7

LAKE TAHOE WINDJAMMERS YACHT CLUB

VIEW FROM THE HELM

HOWARD STEVENS

The season is winding down quickly. It seems as though it was only yesterday when we stepped the mast on *Malolo* and started the season. The Perpetual Cup is behind us, with only the One Design Regatta and the Fannette Island Race left. Get your racing in now folks, it's about over!

The monthly meeting/bon voyage party for the **Noordas** was a roaring success. I counted forty five attendees, and there were a few misty eyes as many of us personally wished them well. As some of you know, they will be leaving the Bay on Labor Day Weekend with the "Windjammers Race" (nothing to do with our club) to Santa Cruz, and them hopping down the coast in time to join the Baja Ha Ha which departs

on October 27 from San Diego. Wish Joyce and I were on our way again, too.

"...with only the One Design Regatta and the Fannette Island Race left. Get your racing in now folks, it's about over! "

A HUGE Thank You to **Mike and Caroline Robinson** for the use of their home. Also a special thanks to our "Little Old Winemakers", **Bob and Kathy Cliff** who brought two magnums of champagne from their vineyard featuring special labels including the Noorda's names and a picture of their boat, "Zephyra." The grilled Salmon and all the potluck side dishes were

delicious. A proper send off to a couple of Windjammers who have contributed mightily to our club. Bon Voyage and "May the wind be always at your back.!"

The Nominating Commit-

tee re: Volunteering). Call any one of the nominating committee and find out how you can help. As Mom used to say, "Many hands ease the load."

The Beer Cans continue and the results for the overall standings for August will be out as soon as the last race is completed.

I don't know about you, but I enjoy "real" starts with calls for OCS and handicapped scores. After all, how does a "newbie" learn the right way start and the proper conduct on the course if it isn't the USS standard procedures. Good luck to all on winning the trophies for that series. Maybe next year we'll score the races in July, too.

See yuh out on the Lake!
Fair Winds and Following Seas,

tee was appointed at the August board meeting. It consists of **Jon Hoefler, Don Newman and Lynn Woodward**. There are several positions to be filled for 2008 and we need your help. (See August
