Hello Windjammers,

The time has come to put the merger of SLTYC (South Lake Tahoe Yacht Club) and LTWYC (Lake Tahoe Windjammers Yacht Club) to vote. The officers of both clubs agree that the new club name should be South Lake Tahoe Windjammers Yacht Club.

The new structure will keep a strong sailing presence and budget, while including motor boating and cruising. This has the potential to attract more members due to a more diverse definition of boating. There will be savings through avoidance of redundancy of insurance and operating costs. There will also be a larger pool of members to serve in club positions.

This is a great opportunity to strengthen membership numbers and bolster our position in the boating community.

The vote will take place during our Intergalactic Beer Can Race Dinner and General Membership Meeting on Wednesday, July 18, 2018. The meeting will take place at the home of Dale and Sue Herman. A flyer will be posted to the web site and emailed to the membership next week with specific details.

Sincerely,

David Young
